

# Marcial Rene Romero

## Education

**B.A Political Science**

## Job History

March 2022-Current **Assemblymember Mike Fong's District Office** Monterey Park, CA

### **Field Representative for the 49<sup>th</sup> California Assembly District**

- As a representative for the Assemblymember, areas of responsibility included answering casework correspondence, monitoring scheduled district meeting with constituents, and directly communicating with constituents both in the office and in the field.
- Acted as the office liaison to the various municipal cities in the San Gabriel Valley area and policy issues such as Water, Environment, Health and Human Services, Latino, Unions, Women's Reproductive Rights, Higher Education and Veterans.

April 2021-December 2021 **COVID-19 Vaccine Project Manager** Los Angeles, CA

- Assisted in managing a \$20 million Get Out The Vaccine campaign to help bring our state to Community Immunity; managing and collaborating with a portfolio of 3 community-based organizations in my designated geographical area to provide them with the resources and training to deploy teams of canvassers to talk to the unvaccinated. Assist the unvaccinated in vaccine appointments and education.
- Through a partnership with UCLA and the CA State Governor's Office, our team developed a comprehensive vaccine outreach and education program using the combined principles of big organizing and electoral campaigning to address Covid19 vaccine disparity among the most marginalized black and brown populations across the state.

August 2020-June 2021 **State Senator Maria Elena Durazo** Los Angeles, CA

### **Field Representative/Caseworker for the 24<sup>th</sup> California Senate District**

- As a representative for the Senator, areas of responsibility included answering casework correspondence, monitoring scheduled district meeting with constituents, and directly communicating with constituents both in the office and in the field.
- Served as a liaison to local, state, and federal officials and other persons or groups to form effective and strategic relationships for the Senator.

July 2018-August 2019 **Assemblymember Ed Chau's District Office** Monterey Park, CA

### **Field Representative/Caseworker for the 24<sup>th</sup> California Senate District**

- As a representative for the Assemblymember, areas of responsibility included answering casework correspondence, monitoring scheduled district meeting with constituents, and directly communicating with constituents both in the office and in the field.
- Attended and participated in local Democratic club and committee meetings and public functions as a liaison for the state campaign.

## Relevant Experience

July 2017-June 2018 **California State University Los Angeles, ASI. Inc** Los Angeles, CA

### **Vice President of Administration**

- Vice President for a 501(c)(3) nonprofit, oversaw the management of commissioners, hiring student staff, and assisted in managing and setting \$1.5 million-dollar annual budget.
- Coordinate with Faculty and Administration to develop policy proposals for recommendation to the University President to address student needs.
- Coordinating endeavors with Cal State Student Association on state wide issues. Researching and communicating State Legislation that can or could affect the Cal State LA student body to A.S.I. Legislative Affairs & Advocacy Committee
