OVERALL OBJECTIVE

El Pueblo de Los Angeles Historical Monument (Department) Request for Proposals (RFP) goal is to seek Proposers with two or more years' experience operating a retail business selling souvenirs, preferably Mexican imports and folk art. The business and products must be in keeping with the historical and cultural niche of Olvera Street, a popular Los Angeles tourist attraction established in 1930. The current RFP, is for retail kiosks spaces known as center puestos (stalls). These sites are in the center of Olvera St. and vary in size. Many of the Olvera Street Merchants families have been a part of this site since 1930 and this is an opportunity to operate a historic puesto. The Department oversees commercial spaces on Olvera Street, special events, filming, and eight museums on 22 acres of parkland dedicated to interpreting the Los Angeles story by way of our large collection of artifacts tied to the City's rich heritage.

This RFP is specifically seeking merchants who have experience in the import and sales and of authentic cultural wares. El Pueblo is seeking creative merchants who can enhance the visitor experience. The visitor population consists of international tourists and local residents who come to enjoy the unique atmosphere of this historic site. There is great demand for "keepsake" as well unique merchandise that contains a theme or image of a travel experience, or an item that supports local culture.

"Mexican Marketplace" merchandise should be developed with children, tourists, and families in mind. Potential customers include the two million visitors that come to El Pueblo annually, the four million residents of Los Angeles, and the over 25 million tourists who visit Los Angeles every year.

This RFP is seeking a specialty retail enterprise that enhances the overall experience of visitors, students, travelers, and local residents. The successful Proposer must be creative, energetic, and knowledgeable about the early history of Los Angeles, and whenever possible, the Proposer should integrate their product line with goods and services related to Los Angeles culture and history. The Proposer must be willing to successfully fund, manage and operate the business in a visually appealing manner. The Department will rank and score all proposals and select a qualified applicant.

BUSINESS SPECIFICATIONS

El Pueblo is seeking to award a five-year lease, with a five-year renewal option to operate a stall (also known as a "puesto") on historic Olvera Street.

Retail space currently available for proposals:

Space C-26 at 53 square feet

See photo and attached map.

The Department has final approval of all products and inventory. We also require a list of proposed merchandise to be sold and a family friendly “customer is always first” customer relations model.

The successful Proposer should also have an eye for developing a colorful display with a diverse product line that customers will be drawn to when walking by the stall.

All proposals will be based on a point system that takes multiple things into consideration. For a break-down of the rating system, please review the submittal requirements outlined on the following page.

5. Failure to Procure Insurance. All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

6. Workers' Compensation. By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-4, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.
